

11 Freedom Riders Find Jail Waiting

JACKSON, Miss. (AP)—Police arrested 11 integrationists today including a white New York State assemblyman when they launched an anti-segregation march at a railroad and an airport terminal.

A biracial group of nine railroad "Freedom Riders" from New Orleans, La., were taken into custody when they tried to test barriers in the Jackson railroad terminal.

Their arrest brought to 92 the number taken into custody since the rides started May 24.

Mark Lane, 33, New York lawyer, and Percy Sutton, 40, president of a New York City branch of the National Association for the Advancement of Colored People, were arrested almost immediately after they stepped off a Delta Airlines plane. The plane flew here from Montgomery, Ala.

Sutton protested: "I'm a traveler in interstate commerce."

Police Capt. J. L. Ray ordered the two to leave the white men's waiting room. When they refused, he placed them under arrest.

Lane and Sutton had previously said they were curious travelers. Wednesday they were served without incident in a Montgomery terminal restaurant.

The New Orleans group, which included two white women, boarded the crack passenger train "City of New Orleans" under the watchful eyes of uniformed city police officers and city and state policemen in plainclothes.

A spokesman for the New Orleans group, the Rev. Robert Vesby, 33, a Negro Baptist minister from Aurora, Ill., said he expected to be jailed.

"Paul and Silas were placed in prison for supporting what they believed," said the minister. "I feel that we can ask no more than to be jailed in Mississippi or a purpose."

Nine riders were jailed at Jackson Wednesday following unsuccessful attempts to desegregate terminal facilities at an airport and a bus station.

Only hours earlier three whites and three Negroes were arrested following their arrival by bus from Nashville, Tenn., via Memphis.

The airborne integrationists were arrested after attempting to dine and rest in terminal facilities at Municipal Airport. The terminal waiting room isn't segregated, but the other facilities are.

Gwendolyn Jenkins, 21, of St. Louis, was arrested as she attempted to enter the white women's rest room, while Robert Jones, 27, also of St. Louis (no relation) was arrested when he sat down at a table in the for-whites-only restaurant. The third rider, John Washington, 25, of the Webster Grove community near St. Louis, was standing at the door of the white men's restroom when arrested.

The first claim of open integration in Jackson was made Wednesday night by Charles Jones, dean of Campbell (Negro) College. He said seven Negro students Tuesday used whites-only eating and white drinking fountains at the city zoo.

In two separate statements Wednesday Roy Wilkins, executive secretary of the National Association for the Advancement of Colored People, indirectly rebuked the Freedom Riders.

Wilkins told newsmen in the afternoon that the unconstitutional laws could not be overturned by a NAACP meeting Wednesday night Wilkins spelled out differences with other Negro organizations.

"We know that shock troops are necessary," he said. "We know that testing and challenging are necessary, but affirmative action, judicial, legislative and executive means is indispensable. This is a nation of law."

Earlier in Chicago, the Rev. Martin Luther King, 34, white Baptist minister, denied published reports he intended to quit the Freedom Riders or that he said he movement was dominated by communists and atheists.

The Rev. Mr. Glason was arrested in Jackson last week. He was convicted on breach of peace charges and paid a fine of \$197. At that time he said he was through with Freedom Riders.

2-Month Old Fawn and Her Pal

— Hope Star photo
TOMMY BUTLER, 11, AND 2-MONTH-OLD DOE HE caught Tuesday on the farm of his grandfather, D. P. East near Ross. Tommy, son of Mr. and Mrs. Willis Butler, 2523 Senator St., Texarkana Ark., brought the fawn by The Star office with Mr. East Wednesday afternoon — and the editor obliged with a photograph. But it was a struggle. The lady was born free — and it took four people to pose her.

ESD Workers Insist No Pressure

LITTLE ROCK (AP) — Twenty employees of the state Employment Security Division testified Wednesday that they had not been asked or pressured to contribute to Gov. Orval E. Faubus' campaign fund last summer.

The testimony came at a hearing before Howard Hosmer, an examiner for the federal Civil Service Commission, which is investigating charges that five ESD officials made fund solicitations for Faubus.

Four of the five testified Wednesday before Hosmer ended the two-day hearing. He gave attorneys 45 days to file briefs and another 30 days to reply briefs. Then he will make his recommendations to the commission, which could order the state to fire the five men if they are found to have violated the Hatch Act, which prohibits political activity by federal employees. The federal government pays part of the salaries of ESD personnel.

The five are Robert O. Rainwater, ESD business manager; William Watkins, supervisor of field audits; Charles F. Wood, assistant Little Rock area manager; John Caras, district field supervisor, and Luke Arnett, ESD attorney.

All except Arnett took the stand Wednesday to deny any wrongdoing.

Most of the testimony of the 20 employee witnesses conflicted with statements Tuesday by eight other employees who said they were approached about campaign contributions.

The investigation sprang from a charge by Bruce Bennett, a Faubus opponent in the 1960 Democratic primary, that ESD employees were being pressured to make campaign donations.

Some of the 20 witnesses said they sent money to Faubus but they denied existence of any pressure from ESD officials.

Child to Have Bone Operation

LITTLE ROCK (AP)—Eighteen-month-old Peter Lollar is to be packed in foam rubber and flown to Chicago later today for an operation which may keep his brittle bones from breaking.

The tiny son of Mr. and Mrs. Oris B. Lollar has spent his few months of life mostly in traction because his fragile bones fracture at the slightest touch.

His trip will be delayed if there is turbulent weather. It might injure him despite the rubber padding.

Peter is scheduled to be examined at Chicago's Shriners' Hospital Friday. The hospital performs an operation, called "rod-ding," in which bones are strung on steel rods to give them strength. It has been performed successfully on other small victims of rare osteogenesis imperfecta, which causes Peter's bones break.

The Lollars learned about the operation after an Associated Press story on Peter.

Three From Hempstead to Be Ordained

HOT SPRINGS, Ark. (AP) — Twenty ministers will be ordained by the Little Rock Conference of the Methodist Church here tonight. Fourteen will be received as deacons; six others will be elevated to elders.

Those who will be ordained as deacons are: Maurice E. Adkins, Gary W. Frederick, Bill Bates, Hedges, John B. Ross and Joe H. White, all of Little Rock; Joe E. Arnold of Magnolia, James W. Beck of Warren, Foster G. Cornell of Hope, Thomas E. DeVasier of Bingen (Hempstead County) Ralph E. Hale of Camden, Donald A. Lau of Hot Springs, Donald F. Nolte of Hamburg, James H. Shad-dox of Hope and John F. Walker Jr. of Richmond, Mo.

To be promoted to elders are: William C. Cheneault of Benton, Edmund B. Deane of Little Rock, Ernest E. Elford of Des Arc, William C. Gentry of Mena, William R. Johnson of Texarkana and James E. Robben of Dierks.

Mid-South to Vote on Merger

LITTLE ROCK (AP) — Stockholders of Mid-South Gas Co. meet here today to vote on a proposed merger with Arkansas Louisiana Gas Co.

The only known opposition to the proposal is from a group of Cross-set stockholders and Wesley V. Jacobs of McGee who recently ran an advertisement urging Mid-South stockholders to join him in opposition.

Jacobs said Wednesday response to the advertisement has been negligible.

Boards of both companies have approved the merger, which also needs approval from Arkla stockholders.

Mid-South stockholders would receive one share of Arkla common stock for each Mid-South share they hold.

Mid-South serves 48,500 customers in 54 east Arkansas communities.

AP Writer Is Reinstated

TEHRAN, Iran (AP)—Prime Minister Ali Amiri today reinstated the working credentials of Associated Press correspondent Peris Rabin.

Rabin's credentials were lifted a week ago after he quoted striking telegraph workers as saying several of them were injured when police and troops broke up their strike.

The government denied any workers were injured and accused Rabin of fabrication.

2,000 Officials in Convention

LITTLE ROCK (AP) — More than 2,000 sheriffs and deputies from 34 states are expected here this weekend for the 21st annual convention of the National Sheriffs Association.

Registration is scheduled Sunday with Gov. Orval E. Faubus to welcome delegates at the first business session Monday.

Monday afternoon agenda and on Tuesday the law enforcement officers will visit Winrock Farm, millionaire Winthrop Rockefeller's showplace atop Petit Jean Mountain.

Dr. Ralph A. Phelps, president of Ouachita Baptist College, will address the closing banquet Wednesday night.

Desha County Sheriff Robert S. Moore, president of the national Association, and Pulaski County Sheriff L. C. Young are acting as hosts to the convention.

Jefferson County Sheriff Harold Norton, Garland County Sheriff Duffie Searcy and Conway County Sheriff Marlin Hawkins are co-hosts.

Two Drownings at El Dorado

EL DORADO, Ark. (AP)—The El Dorado area had one drowning and the body of another drowning victim was discovered Wednesday.

Davi Haddad, 19, of Earle died in the Ouachita River near Canton while he and Shirley Trinea of El Dorado were swimming across the stream to join a boating party.

The body of McGraw McMullen, 53, of near Nephilet was found floating in a salt water disposal pit near the home of a friend, Charlie Pannell.

Sheriff O. E. Bishop said McMullen apparently made a wrong turn and drove into 25 feet of water after leaving Pannell's house Monday night. McMullen had been reported missing. Pannell found the body, which apparently floated through an open window of the car.

Miss Trinea said she and Haddad swam about three-fourths of the way across the 100-yard wide river before Haddad went under. She said she could not help him.

Haddad was the son of Mr. and Mrs. Ellis Haddad of Earle. McMullen was an oil field worker. The pit in which he drowned was dug to dispose of salt water waste from an oil derrick.

16,868 Getting More Jobless Pay

LITTLE ROCK (AP)—The state Employment Security Division had 16,868 persons on unemployment compensation rolls last week and 9,522 persons claiming extended benefits under the Kennedy emergency program. The emergency program pays a maximum of \$15 weekly for 13 weeks after regular benefits of up to 30 weeks have been paid for 26 weeks.

Crop Dusting Pilot Killed

JONESBORO, Ark. (AP) — A crop-dusting pilot, Dale W. Loomis, 25, of Medina, Ohio, was killed Wednesday when his plane crashed in a field.

Joe Adams, who was driving a tractor near the crash scene nine miles south of Fisher, said it appeared that the plane's motor was not running.

Loomis was a pilot for the Hickory Ridge Flying Service.

Kidnaped Girl Turns Up at a Farm House

ANDERSON, S.C. (AP)—A pretty teen-age girl dragged from a parked car by two or three men Wednesday night staggered to the safety of a farmhouse early today.

Officers said she and her companion in a parked car, Charles Gambrell, 20, reported either two or three men pulled her from the car, slashed Gambrell about the abdomen and left arm, and then drove off with the terrified white girl. The men were Negroes.

It was not disclosed if the girl was raped.

Officers reconstructed these events: the 17-year-old girl and her companion were parked on a lovers lane off Highway 81 when the men surprised them. Gambrell was slashed and the girl was spirited away. Gambrell staggered to a nearby house and a search was started.

Sheriff W. J. Erskine said the girl, whose identity was not disclosed, staggered to the home of C. M. Ellison, 12 miles from Anderson, in a state of shock.

The sheriff said the girl was not able to tell a clear story. He said, however, that the story she told and the story told by Gambrell jibed.

Tractors for Freedom to Issue Reply

By ED HARDY

DETROIT (AP)—The Tractors for Freedom Committee replies today to the terms under which Cuban Prime Minister Fidel Castro would trade 1,200 men for 500 machines despite a congressional leader's warning that it "will be getting on tenuous ground" if it attempts to negotiate with Castro.

Walter P. Reuther, committee co-chairman and president of the United Auto Workers Union, said Wednesday the committee expected to have a reply ready to a cable from Castro in which the Cuban leader outlined his terms for the proposed tractors for prisoners trade. Reuther said no reply was made Wednesday because it was physically impossible to get the committee together.

Reuther said the committee felt Castro's terms "leave the way open for negotiations."

The committee was formed after Castro made an offer May 17 to trade prisoners captured in the ill-fated April invasion of Cuba for tractors.

Reuther said no decision had been made as to whether the committee would send a delegation to Cuba for a personal meeting as Castro specified in his message but observed later that it was doubtful he or any of the other leading committee members would travel to Havana for such a discussion.

Senate Republican leader Everett M. Dirksen of Illinois said at Washington Wednesday night the committee members "will be getting on tenuous ground" if they go to Havana to discuss the deal.

Castro had said "the raising and negotiation of this problem cannot be made only by cable, and it is better that a delegation should be sent to Cuba. In this there should be one of the principal members of the committee, preferably Mrs. Franklin D. Roosevelt or Milton Eisenhower, whose names, because they are better known in the political spheres, would contribute to the solution of the matter."

Dirksen said that if the persons concerned accepted the Castro invitation they might run afoul of the Logan Act. The act bars individuals from dealing with foreign governments under specified circumstances. Kennedy administration officials contend the act is not involved in the tractor matter.

The committee was organized at the suggestion of President Kennedy. But the President also has said the U.S. government would take no part in any exchange, and Reuther has emphasized that Castro's cable has not been discussed with the President.

Reds Try to Seize Bolivia, 60 Are Jailed

By ALFONSO TELLERIA

LA PAZ, Bolivia (AP)—Sixty leftist union leaders have been arrested in the destruction of a planned Castro-type revolution in this mountainous tin-mining country, the government announced today.

The men were sent to an internment camp in the tropical lowlands after a modified state of martial law was declared Wednesday.

The government also made public a manifesto signed by two Communist party leaders saying "The glorious Cuban revolution shows it is possible to create a Socialist republic in Latin America."

The government said the revolt was due to start with a march on La Paz by miners.

The government issued a communique today calling on all citizens to aid the government and oppose communism.

Another document made public by the government disclosed the establishment of an armed camp called "The Friends of Cuba" in Sacaba, in Cochabamba Province. The government said this document showed the Cuban Embassy knew about this group and helped organize it.

By THOMAS J. STONE

LIMA, Peru (AP)—Bolivia was reported under a state of siege — near martial law — today with widespread arrests of Communists and other extreme leftists.

Airline passengers arriving here from La Paz said President Victor Paz Estenssoro declared a series of Communist-urged strikes swept the country. The strikes apparently stemmed from a dispute between the government and workers in the nationalized tin mines.

The travelers said the government appeared in control and La Paz was calm when they left.

Private sources in Buenos Aires, Argentina, said that Communists made an attempt to seize power, but this was denied by travelers from La Paz. They said strikers were the root of the trouble.

President Kennedy's special envoy, Adlai E. Stevenson, now in Buenos Aires, is scheduled to visit Bolivia June 15 on his South American tour. Stevenson's aides said he has made no changes in his itinerary.

Airline passengers brought copies of Tuesday's edition of the La Paz morning newspaper El Diario which told of the arrest of Communist leaders.

Information in Buenos Aires indicated the industrial unrest was over President Paz Estenssoro's austerity program designed to get loans from the international monetary fund to put his debt-ridden nation on its feet.

Mrs. Kennedy Is Touring Greece

ATHENS, Greece (AP) — Jacqueline Kennedy boarded the yacht Wind today for a trip to Epidaurus, where she will visit an ancient Greek open air theater. The U.S. President's vacationing wife lunched aboard before the yacht departed on the sail to Epidaurus, which is on Peloponnesus.

Local lawyers planning to attend the Arkansas State Bar Association meeting at Hot Springs Thursday and Friday are Louis Crain, W. S. Atkins, Talbot Field Jr., Royce Weisenberger and Lyle Brown.

Wallace McVey, formerly of Hope, Maintenance Man for the M.M.M. Hospital of Nome, Alaska and family left by plane for Fairbanks where they will pick up a car and drive to the States for a two months vacation. The children will visit their paternal grandparents, Mr. and Mrs. A. McVey for the first time while in Hope and will attend the wedding of July Beth Davis, niece of Mr. McVey.

Brittany Farmers Protest Prices

MORLAIX, France (AP)—Four thousand Brittany farmers protesting low farm prices invaded Morlaix aboard tractors and trucks today and virtually took over the town.

A company of 130 tough riot police arrived on orders from the Interior Ministry in Paris to help the 100 policemen on duty maintain order.

No violence was reported but authorities feared clashes. About 2,000 farmers milled angrily in the town square, denouncing the government's farm-price structure, and hundreds of others roamed side streets.

Questions About Bond Issue Ready

LITTLE ROCK (AP) — Gov. Orval E. Faubus today listed a three-point pitch for his \$74.5 million bond issue proposal, but did not answer two questions asked Wednesday by critics.

Faubus said a television speech tonight on behalf of the bond issue will hit on these phases: Is there a need for a building program; is the present proposal feasible and is there any other way to meet the needs?

Attorney Eugene Warren of the Arkansas Education Association asked two questions of the bond backers: Where is the money coming from to finance a bond campaign and has a pre-sale contract been executed with a dealer?

And today the Arkansas Committee for Public Schools, headed by Joshua K. Shepherd of Little Rock, renewed a contention that the bond proposal does not have proper safeguards to prevent possible damage to public school funds.

Faubus said his speech tonight will maintain that the program does have proper safeguards.

Warren said, after learning that Faubus will make a television speech on behalf of the bond issue.

"Somebody has come up with a whole lot of cash. Has a pre-sale contract been executed with any bond dealer, and, if so, what is the amount of percentage of the bond issue to be paid to this dealer for his efforts in promoting the issue, including raising the money for the political campaign?"

Faubus will appear on two Little Rock stations and stations at El Dorado, Fort Smith and Texarkana tonight. The broadcast will be repeated over a Memphis station Friday night.

Bond Issue in Boys' State

LITTLE ROCK (AP)—Gov. Orval E. Faubus ran head-on into questions about his \$74.5 million state construction program today at Arkansas Boys' State.

In a question period after a brief talk, Faubus was asked his reaction to the state Supreme Court's rejection of his \$14.5 omnibus bill Monday. Faubus said it was late in coming, since similar bills had been passed since 1875. He said, however, he had no argument with the court.

To a question on how he would greet the "Freedom Riders" in Arkansas, Faubus replied, "I would like to see them completely ignored and then they would leave on their own."

Truce Breaking by Reds Brings End to Talks

GENEVA (AP)—Britain today announced indefinite postponement of the conference on Laos because of "apparent serious violation" of the cease-fire.

Britain and the Soviet Union are co-chairmen of the 14-nation conference on Laos.

The United States had previously announced it was boycotting the conference until Soviet Premier Khrushchev makes good on his agreement with President Kennedy that an effective cease-fire is necessary in the Southeast Asian kingdom.

Malcolm MacDonald, head of the British delegation, saw Soviet Deputy Foreign Minister Georgiy Pushkin for an hour this morning. Afterward, MacDonald issued a statement that some delegations informed him they could not attend further meetings until they have finished consulting their governments.

The delegations were identified as those of the United States, Britain and France.

An American source said Wednesday night that the U.S. delegation would not attend any further sessions of the conference called to chart the future of Laos until the pro-Communist rebels stop their attacks and a real truce is achieved.

Soviet Foreign Minister Andrei Gromyko is flying from Moscow to Geneva tonight. Western delegates hoped he would bring instructions for the Communist bloc to get behind the U.S. demand for more power for the international truce commission in Laos.

The American delegates to the Geneva conference forced cancellation of Wednesday's session after the Pabst Lao rebels captured the government-held village of Padang with a violent artillery barrage and an infantry charge. The rebel artillery, silent at Padang since Thursday, resumed Monday in what looked like a pointed rebuff to the Kennedy-Khrushchev declaration at Vienna.

For a time the Americans talked of packing up and going home, but Washington ordered them to stand by in hopes the Communists would modify their previous opposition to discussing ways of preventing cease-fire violations.

State Department press officer Lincoln White said in Washington that the United States is not going to bring about a collapse of the Geneva conference "through any obstructive tactics or otherwise."

The Communist delegations have been contending that the cease-fire violations in Laos are inconsequential and that the truce commission needs no further powers or instructions.

American delegates felt that the fall of Padang, a government outpost in Xieng Khouang province dominated by the rebels, was of moral importance rather than a serious military setback for the pro-Western government in Vietnam.

76 Germans to Visit Here Today

Corn Belt Hatchery plays host to 76 Germans who will make a three-day study of the poultry industry in Southwest Arkansas. The group is scheduled to arrive here aboard a 4-engine Constellation between 3 and 3:30 p.m.

The group will be entertained with a chicken barbecue at the Corn Belt demonstration farm near Blevins at 6:30 p.m. today. Other guests will be employees and producers of Corn Belt Hatcheries, Delight Egg Farms and Southland Farms. A crowd of 1,000 is expected.

The event will also be designated as Producers Recognition Night with trophies to be awarded to the best producers.

Thursday night's speaker will be Dean Olson of Olson Bros., of Los Angeles. Other special guests include H. B. Wallace of HyLine Poultry Farms, Des Moines, Iowa.

No Amateur Engineered Utah Blasts

WASHINGTON (AP) — A De-
 fense Department specialist testi-
 fied today it was no amateur who
 engineered the three mysterious
 sabotage blasts in Utah May 28
 which cut transcontinental wire
 and television communications.

Maj. Robert W. Ewell, from the
 Defense Department Office of
 Telecommunications, also told a
 Senate Appropriations subcom-
 mittee the government has taken
 adequate steps to protect against
 any more sabotaging of commu-
 nications facilities, but that he
 could not give details about the
 precautions in a public hearing.

The reason for the sabotage is
 still a mystery, he said.
 The matter was up simultane-
 ously at a separate hearing by a
 subcommittee of the Senate Judi-
 ciary Committee. This group is
 studying the question of whether
 new laws are needed.

Brig. Gen. John H. Bestie, Air
 Force deputy director of telecom-
 munications, told the group the
 blasts demonstrate need for
 tougher penalties to curb mali-
 cious damage to communications
 facilities.

Asked by Sen. Kenneth B. Keat-
 ing, R-N.Y., whether the bomb-
 ings could have been part of a
 sabotage training program, Bestie
 said Gen. Curtis LeMay, Air
 Force vice chief of staff, had
 called his attention to the June 1
 issue of a publication called "In-
 form."

Bestie said the publication sug-
 gested that the explosions could
 have been the work of graduates

Shots for Cancer May Be Developed

SEATTLE, Wash. (AP) — Rare
 and mysterious cases where can-
 cer suddenly disappears may
 hold the key to immunization
 against some forms of the disease
 says Dr. John W. Cline of San
 Francisco.

Dr. Cline, president of the
 American Cancer Society told
 newsmen Tuesday shots prepared
 from blood of persons who have
 experienced a spontaneous re-
 gression of cancer have helped
 victims of the same type of can-
 cer.

The shots caused much of the
 cancer to disappear and the re-
 mainder to change character.

Best Beer Drinkers

 man, who has been acting state
 chairman.

of a Soviet sabotage school oper-
 ated in East Germany.
 But he said there was no evi-
 dence to support this theory.

LAST MONTH - IN HISTORY

Sees Berlin as Future Trouble Spot

Editors Note — What informa-
 tion, in addition to that included
 in his televised address to the na-
 tion, has President Kennedy given
 congressional leaders about his
 conference with Soviet Premier
 Khrushchev? At what point did
 Khrushchev raise his voice? Jack
 Bell, veteran chief of the AP's
 Senate staff, discusses the follow-
 ing article the report Kennedy
 gave influential members of both
 parties.

By JACK BELL

WASHINGTON (AP)—President
 Kennedy has informed congress-
 sional leaders that Premier
 Khrushchev raised his voice when
 he told him in Vienna that West
 Berlin is a bone that must come
 out of the Soviet throat.

The President also reported
 Khrushchev indicated he regards
 Cuban Prime Minister Fidel Cas-
 tro as unstable—and not a Com-
 munist.

Kennedy briefed influential
 members of both parties at a 90-
 minute White House conference
 Tuesday before he told the na-
 tion in a television-radio broad-
 cast a few hours later that the
 West is ready to maintain its
 rights in Berlin "at any risk."

The briefing, during which the
 President read from his trans-
 lator's transcript of some of the
 conversations, was said to have
 disclosed that Khrushchev was
 vitally interested in only two sub-
 jects at this time—Berlin and a
 change in the secretariat direc-
 tion of the United Nations.

So reported by a responsible
 source, these were some of the
 major topics discussed and the
 positions taken in the 12 hours of
 conversations between the two
 leaders.

Berlin — Khrushchev has not
 changed his position of more than
 two years' standing that he in-
 tends to sign a separate peace
 treaty with East Germany. He
 fixed no date for this action. He
 told Kennedy that nobody but the
 United States still believes East
 and West Germany can be re-
 united.

The only time Khrushchev
 raised his voice in the whole
 period of discussion was when he
 talked about Berlin and used the
 bone in the throat phrase he has
 employed before. (Kennedy said
 in his broadcast to the nation
 "there was no discourtesy, no
 loss of tempers, no threats or ul-
 timatums by either side" during
 the Vienna conferences.)

The Soviet premier offered
 again to give Soviet and East
 German guarantees of continued
 Allied access to West Berlin. He
 proposed that U.S., French, Brit-
 ish and Soviet troops remain in
 the city, and suggested stationing
 U.N. troops there.

Kennedy replied that the West
 is in Berlin legally, not merely
 by sufferance, and intends to stay
 there. He said Berlin is a founda-
 tion stone in American security.

United Nations — Khrushchev
 contended the U.N. actions in the
 Congo, under the direction of Sec-
 retary General Dag Hammarskjold,
 were not neutral but were
 pointed against Soviet interests.
 Never again, he said, would the
 Soviet Union be placed in a posi-
 tion where its national security
 policies could be interfered with
 by the international organization.

This was the beginning, he in-
 dicated of the "troika" policy

Asians Not Bound in Laos Deal

By JOHN RODERICK

TOKYO (AP)—The fall of Pa-
 dong and Red China's comments
 since Soviet Premier Khrushchev
 and President Kennedy agreed in
 Vienna that an effective cease-
 fire in Laos is necessary suggest
 that Asian Communists headed by
 Mao Tze-tung feel in no way
 bound by the sober no-ultimatum,
 no-threat spirit of Vienna.

The Chinese Communist boss
 himself has made no comment on
 the Vienna meeting. But his prop-
 aganda organs, after earlier wish-
 ing the conference well, now dis-
 miss it as a handshaking session
 that produced little or no results.
 The Chinese Reds from the be-
 ginning of Kennedy's term pre-
 figured him as worse than Presi-
 dent Eisenhower and by implica-
 tion warned Khrushchev that such
 a man could not be trusted.

The Chinese diatribes against
 the youthful American chief ex-
 ecutive have stepped up since the
 Vienna meeting.
 Referring to the cease-fire in
 Laos, the official New China
 News Agency charged that viola-
 tions were created solely by the
 pro-Western government headed
 by Prince Boun Oum and Gen.
 Phoumi Nosavan.

It described the fall of Padong
 as a U.S. "pretext" for stalling
 the Geneva conference on Laos.

Refuses Indictment

BENTON, Ark. (AP)—The Sa-
 line County Grand Jury refused
 Monday to indict J. W. Smith,
 about 69, in the fatal shooting of
 his son, Lemuel M. Smith, 40,
 of Little Rock. Officers had quoted
 the older Smith as saying he
 fired in self defense. The shooting
 occurred May 27 at the father's
 home in nearby Paron.

under which the Soviets would in-
 sist that the unanimous vote of
 a three-man board—on which the
 East, West and a neutral would
 be represented—direct the actions
 of international commissions, in-
 cluding the United Nations

OFFICIAL AAA GARAGE

A Stray Bullet Kiss a Man

LEACHVILLE, Ark. (AP) — A
 stray bullet fired by target shoot-
 ing youngsters struck and killed
 Neal McHaney, about 45, near
 here Wednesday.

Coroner J. R. Stovall James
 King Hoyt and James Roberson,
 both 12 and of Memphis, were
 shooting from inside a garage at
 a target outside.

McHaney was hit in the neck
 as he walked toward the garage.
 Stovall said he could not deter-
 mine which boy fired the fatal
 shot.

McHaney was farm manager for

the BC Land Co., owned by Hoyt's
 father, John G. Hoyt Jr., of Leach-
 ville and Memphis.

Stovall said McHaney had been
 shooting with the boys.

Bids Taken on Jonesboro Plant

MOUNTAIN HOME, Ark. (AP)
 —McDaniel Bros. Construction Co.
 of Jonesboro submitted an ap-
 parent low bid of \$469,911 on con-
 struction of a plant for the Mar-Bax
 Shirt Co. at nearby Gassville. The
 factory will be financed by bond
 issues totaling \$535,000 voted by
 residents of Marion and Baxter
 counties.

Brinkley Boy Is Boy's State Chief

LITTLE ROCK (AP)—Bill Allen
 of Brinkley is the 1961 governor of
 Arkansas Boys' State.

Allen defeated Doug Odom of
 North Little Rock in Wednesday's
 election.

Allen will take the chief execu-
 tive's role when Boys State reach-
 es its climax with a mock legisla-
 tive session Friday.

Other officials elected Wednes-
 day:

Lt. Gov. Larry Eikelberry of
 Dardanelle; Secretary of State
 Hugh McKnight of Little Rock;
 Atty. Gen. Bill Cobb of Little
 Rock; Treasurer Danny Gardner
 of Jacksonville; Land Commission-
 er James Tom Patillo of Lake Vil-
 lage; Auditor Jim Holman of Ney-
 port.

Chief Justice of the Supreme
 Court Wilbur Phipps of Searcy
 and Associate Justices John Stub-
 blefield of Fayetteville, Don Hen-
 ry of Jonesboro, Garry Moore of
 Fayetteville, Claude Prewitt of
 Tiller, Lane Mills of Paragould
 and Bill Sims of Little Rock.

More than 960 delegates are at-
 tending the 1961 exercise in prin-
 ciples of democratic government.

Cash crops in the Volatile Re-
 public are limited to cotton, rice
 and peanuts. The principal wealth
 of the African country is in its
 1 1/2 million cattle, 2 1/2 million
 sheep and goats and 31,000 swine.

BIGGEST MAY SINCE THE MODEL "A"...

THE MONTH OF MAY WAS THE BIGGEST FOR FORD CAR SALES IN
 32 YEARS—SINCE THE HEYDAY OF THE HOT MODEL "A" IN 1929.

MORE THAN 143,000 FORD CARS WERE SOLD.

THIS MEANS THAT EVERY SIX SECONDS OF EVERY EIGHT-HOUR
 DAY, SOMEONE BOUGHT ANOTHER FORD, FALCON, THUNDERBIRD, OR
 FORD WAGON.

WHY?

PERHAPS THOSE 143,000 AMERICANS FOUND OUT SOMETHING YOU
 SHOULD KNOW. THEY DID ALL THE SHOPPING, DEALER BY DEALER;
 THEY MADE ALL THE COMPARISONS, CAR BY CAR. BUT THEY
 BOUGHT FORDS!

WHY?

SOONER OR LATER YOU'LL GET A NEW CAR. WHEN YOU DO, TRY
 YOUR FORD DEALER FIRST—HE WILL GIVE YOU AN ABSOLUTE
 YARDSTICK OF VALUE IN EVERY PRICE RANGE FROM A TUDOR
 FALCON TO A THUNDERBIRD CONVERTIBLE.

HERE'S WHAT TO LOOK FOR. IN THE GALAXIE PRICE RANGE, DON'T
 SETTLE FOR LESS THAN A CAR THAT'S BEAUTIFULLY BUILT TO
 TAKE CARE OF ITSELF... THAT GOES 30,000 MILES BETWEEN
 CHASSIS LUBRICATIONS... 4,000 MILES BETWEEN OIL CHANGES...
 WHOSE BRAKES ADJUST THEMSELVES AUTOMATICALLY... WHOSE
 MUFFLER IS BUILT TO LAST THREE TIMES AS LONG AS ORDINARY
 ONES... WHOSE BODY IS SPECIALLY TREATED TO RESIST RUST AND
 CORROSION... WHOSE FINISH NEVER NEEDS WAXING.

IF YOU WANT RECORD ECONOMY LOOK TO THE FALCON... THIS IS
 THE ABSOLUTE RUN-AWAY BEST SELLER OF ALL COMPACT CARS...
 WITH THE GAS MILEAGE RECORD OF 32.6 MILES PER GALLON,
 PROVEN BY AN EXPERT DRIVER IN A FALCON WITH STANDARD
 SHIFT, UNDER THE CROSS-COUNTRY TEST CONDITIONS OF THIS
 YEAR'S MOBILGAS ECONOMY RUN.

OR COMBINE ECONOMY WITH A TOUCH OF THE THUNDERBIRD, IN
 THE ELEGANT NEW FALCON FUTURA... BUCKET SEATS AND ALL.

TAKE A LOOK AT THE TWELVE FORD WAGONS, EVERY ONE IS DE-
 signed AND BUILT TO GIVE YOU MORE SOLID ROOM—PER-DOLLAR,
 POWER—PER-DOLLAR OR STYLE—PER-DOLLAR VALUE THAN OTHER
 WAGONS. SEE THEM ALL—FROM THE CRISP SMARTNESS OF THE
 FALCON WAGON, ALL THE WAY UP TO THE INIMITABLE FORD
 COUNTRY SQUIRE.

FOR PURE PLEASURE, SEE THE SENSATIONAL NEW THUNDERBIRD FOR
 1961, UNIQUE IN ALL THE WORLD—A CAR THAT BECOMES MORE
 DESIRABLE EACH MONTH AS THE IMITATIONS COME OUT, AS OTHER
 CARS COPY ITS FAMOUS ROOFLINE, ITS FOUR-SEAT INTERIOR,
 ITS CONSOLE—YET MISS THE SECRET OF THE THUNDERBIRD SPIRIT.

THE THING THAT SELLS FORDS IS SIMPLY THE PRODUCT—IT
 STARTS WHEN YOU TAKE A CLOSE LOOK AT FEATURES OTHER CARS
 ARE ONLY DREAMING ABOUT, IT GETS CONVINCING WHEN YOU SEE
 AND FEEL THE HONEST QUALITY OF ITS CRAFTSMANSHIP—AND IT'S
 ALL OVER WHEN YOU LEARN THE PRICE.

THOSE THOUSANDS OF AMERICANS WHO BOUGHT A GLITTERING NEW
 FORD EVERY SIX SECONDS IN MAY REALLY DID KNOW SOMETHING
 YOU SHOULD KNOW—THAT NOW IS THE TIME TO STOP IN, SWAP,
 AND SAVE PLENTY AT YOUR FORD DEALER'S SWAPPING BEE.

which the circle leader, Mrs. Pearl Owens and assistant leader Mrs. R. D. Franklin appointed their committees for the year and outlined plans.

After a prayer of dismissal by Mrs. Ralph Routon, the hostesses served frosted punch and cookies to 12 members and two visitors. The next meeting will be in the home of Mrs. T. S. McDavitt. Mrs. Ralph Routon co-hostess.

Births

Mr. and Mrs. Kenneth Leslie of Woodville, Texas announce the arrival of a baby girl, born Tuesday, June 6. She weighed 8 lbs. Maternal grandparents are Mr. and Mrs. Charles Tarpley of Hope and paternal grandparents are Mr. and Mrs. Samuel Leslie of Springdale.

Coming and Going

Mr. and Mrs. Lester Kent returned their son Cyril and Mimi Polk to the Arkansas Children's Colony in Conway Thursday. Mimi's parents, Mr. and Mrs. Minor Polk, had brought the children here for a visit.

Mrs. Bill Brashier and Mrs. B. B. McPherson returned last week from graduation exercises at the Kansas City Medical School where Dr. Don Brashier received his medical degree.

Mrs. W. A. Williams is visiting this week with relatives in Mississippi. When she returns she will accompany Mr. Williams to Los Angeles to see their daughter Miss Jacque Williams and will tour several western states.

Mr. and Mrs. Stanley Ingram Jr. and Kent of Houston and Mr. and Mrs. Felts Hart of Baytown Texas visited relatives in Rossion this weekend.

Miss Leta Jo Leslie of Woodville, Texas is visiting her grandparents, Mr. and Mrs. Charles Tarpley.

Dr. and Mrs. Don Brashier and daughter visited Mrs. Don Smith, Mrs. Bill Brashier and other relatives this weekend enroute to Ft. Worth where he will do his internship.

Don Browning Jr. of L.R. spent the weekend with his grandparents, Mr. and Mrs. Grady Browning in Hope.

Mr. and Mrs. I. J. Daniels and Joyce of Bodcaw attended the graduation exercises last weekend at the U of A where Jimmy Daniels received his BS Degree in Agriculture.

Angola Can Elect City Councils

LISBON, Portugal (AP)—Portugal has decided to restore to restive Angola and other overseas provinces of Portugal the right to elect municipal councils. The government has appointed the councils since 1940.

Overseas Minister Adriano Moreira, in announcing the decision, said the switch will restore old traditional principles that were suspended due to special conditions in World War II.

The cropped coat in all-American wool may be narrow or wide this spring. Narrow version (left) has tricky, bow-tied neckline. Short coat with width (right) has dropped shoulder, raglan sleeves and trio of big buttons.

DOROTHY DIX

Father, 45, Seeks Romance

By HELEN WORDEN ERSKINE

Dear Helen: When I was very young ours was a poor but happy family. Then my father began to look elsewhere for romance. He took me along when he went out with other women. His relationship to each was that of a lover to his girl.

Mother welcomed him back with forgiveness in her heart. Three years ago an oil company set father up in business, supplemented by family loans. It was then that my parents' marriage really began to wither.

The blight is a blonde, 26-year old divorcee with a 6-year old son. Workers at his place of business report his goings-on with the blonde tramp. The whole town is talking. Mother can't eat or sleep, is 44 and looks it. Father is 45 and looks 30. My 18-year-old sister and 14-year-old brother saw him kissing the blonde. He takes my two youngest brothers, age 4 and 9, on outings with her. When mother tells them not to go they curse and hit her, as does our father.

Mother threatens to have it out with father and the blonde, now his bookkeeper. Father says he will kill mother. No one can talk to him. He lives and eats at home but is in a separate room. What advice can I give mother? —Despairing Daughter.

Dear Despairing Daughter: Your problem is not unusual—it might be called the "great American problem."

There is no easy answer. Psychologists tell us that many men, approaching middle age, feel a compulsion to assert their youthfulness by finding a new romance. The fact that your father "looks 30" may indicate a compulsive effort to stay young, by caring for his health and in other ways. Men in this state are close to being psychologically ill.

Your mother has several possibilities. She can seek a divorce or separation. Or she can understand that her husband is ill and be as kind and forgiving as her heart allows. And she should be encouraged to keep her looks, dress well, and be as cheerful as possible under the circumstances. Your father may recover—most men do—and by keeping attractive she may speed it.

Dear Helen: I'm a 17-year-old boy who gets good marks and has varied interests, yet not one of the girls in our high school is remotely interested in me. My favorite activity is chess; and my efforts to start a chess club in our class appealed to no one but my German teacher with whom I occasionally play. I try to be like "one of the boys," though not interested in the mechanics of cars. How can I attract the girls? —P. J.

Dear P. J.: You're too good. Loosen up. Any boy who concentrates on chess at 17 is old before his time. Take up drums or saxophone instead. Join a dancing class. Be your age.

Dear Helen: There is a boy who likes me but I don't like him. If I'm seen in this odd-ball's company I will be classed as a creep. To make matters worse, he gives the impression we are going steady. I'm too young to go steady. What can I do? —J. B.

Dear J. B.: Nod and keep on going. If he phones, ask your family to get the message. Should he call, have your mother see him for you. He'll eventually take the hint unless, as I suspect, you secretly like this odd-ball's atten-

Students Keep Up Rioting in Tokyo

TOKYO (AP)—Thousands of Socialist-led students and workers kept up demonstrations in Tokyo today, demanding that an anti-violence bill shelved by the government be killed outright.

Prime Minister Hayato Ikeda was forced into retreat by strong opposition from upper house members of his own Liberal-Democratic Party following riots in Tokyo and Kyoto Tuesday night in which 600 or more demonstrators and police were injured.

The prime minister, anxious to quiet dissension before his visit to President Kennedy later this month, abandoned plans to force the measure through the Diet before its session ends Thursday.

The Socialists, Japan's No. 2

Youth Blamed for Newsboy's Death

RAYNHAM, Mass. (AP)—A 16-year-old youth was booked on a murder charge today in the killing of a newspaperboy with a rock Tuesday.

Dist. Atty. Edmund Dinis identified the youth as Richard Williams of Raynham. Police Chief Russell Reid said Williams admitted the slaying.

The victim was James Maurice, 11, foster son of Mr. and Mrs. Gilbert P. Dennis of East Taunton.

Reid said the youth, who lives near the slain boy, told him they had an argument and he picked up a 10-pound rock and struck the boy in the face with it.

1871 Arkansas Bond Worthless

LITTLE ROCK (AP)—An 1871 Arkansas bond is just waste paper now.

The attorney general's office said Tuesday in an opinion to W. B. Waddell of Indianapolis, Ind., that the state Supreme Court had ruled unconstitutional the law authorizing the bonds and that they now are null and void. It said the bonds are worthless — "mere waste paper."

Waddell said he had been asked to bring suit against Arkansas to collect the \$500 bond plus compound interest. He did not identify the bond holder.

Waterworks Co. Asks to Borrow

LITTLE ROCK (AP)—General Waterworks Corp. of Philadelphia, Pa., which operates in several Arkansas cities, Tuesday asked the Arkansas Public Service Commission for authority to borrow \$12 million.

The PSC set a June 14 hearing date on the matter, which officials said would involve a long-term sinking fund involving several insurance companies and a Pennsylvania bank.

General Waterworks operates in Batesville, England, Fordyce, Hamburg and several other Arkansas cities.

The firm would use \$10 million for construction, with the other \$2 million to go toward paying short-term notes and financing the new issue.

party, were not satisfied and demanded that the bill to stamp out political rioting be withdrawn.

Their campaign appeared to be losing steam, however. Although they called for 35,000 to march on the Diet today, only 9,500 union members and 3,500 extremist students turned out in separate groups.

TRADE - TRADE - TRADE
1. If your present home is too large or too small — TRADE FOR ONE MORE SUITED TO YOUR NEEDS.
2. If you have a property bringing in annual income, like a farm, and prefer monthly income — TRADE.
3. If you have timbered land that is harvested only once in 5 years or more and desire monthly income — TRADE.
4. What ever of value you have can be put up for trade — home, car, boat, furniture, et cetera — SO TRADE.

102 - Real Estate for Sale

Why TRADE?
1. You may need no cash to get what suits you better in another property.
2. You do not have to pay income taxes on trades if handled properly, where you may have to pay capital gains taxes on outright sales.
3. Trading in many cases permits you to own the kind of property you desire where otherwise you could not.

102 - Real Estate for Sale

Indians Win 9th in Row, Extend Lead

By ED WILKS
Associated Press Sports Writer

The Cleveland Indians won their ninth in a row and gained a half-game lead over the Detroit Tigers in the American League race with an 11-0 breeze at Washington Wednesday night as unbeaten Jim (Mudcat) Grant won his seventh with a six-hitter.

The Indians open a four-game series at Detroit tonight.

New York beat Minnesota 3-1 behind a two-hit job by Ralph Terry that plunked the Twins into the cellar with their 13th straight loss. The Los Angeles Angels beat Baltimore 4-0, on Ted Bowsfield's five-hitter, and Boston defeated Kansas City 6-2.

In the National League, the Los Angeles Dodgers regained first place by a half a game with a 7-3 victory over Pittsburgh after Milwaukee had spilled Cincinnati 3-1. San Francisco defeated Philadelphia 4-3 in 11 innings, and St. Louis beat the Chicago Cubs 8-6.

Willie Kirkland and Woodie Held hammered solo home runs in an 11-hit attack for the Indians who scored twice in the first off Pete Burnside (1-4). Grant walked but one and struck out six.

Both Minnesota hits off Terry (3-0) came in the first inning, when Billy Martin tripled and scored on a double by Lennie Green. The Yankees then exploded for all five runs in the third against Pete Ramos (3-7), tagging the right-hander with his fifth straight loss on a three-run homer by Roger Maris and a two-run homer by Yogi Berra. It was No. 17 for Maris, tops in the majors, as the Yanks set an AL record with 31 home runs in 16 consecutive games.

Bowsfield (2-1) walked three, struck out three and allowed only one hit over the last seven innings. Three runs in the first inning, capped by Ken Aspromonte's two-run double, beat Billy Hoelt (1-3) and handed the Orioles their sixth defeat in eight games. Steve Bilko homered for the Angels, who took the series 3-1.

Rookie Don Schwall won his fourth without defeat for the Red Sox, allowing nine hits. Boston beat the A's and Bud Daley (4-7) with four unearned runs in the fifth inning, scoring two on Jackie Jensen's double.

Aged Archie Takes on Italian Sat.

By MURRAY ROSE
Associated Press Sports Writer

MONTICELLO, N.Y. (AP) — If Archie Moore gets by Giulio Rinaldi Saturday night, as he is favored to, the old gent may take off for Sweden this fall for a joust with Ingemar Johansson.

"That would be real big over there," said Jack (Doc) Kearns, who handles Archie's bookings. "I've discussed the fight with Eddie Ahlquist (Johansson's adviser) and he thinks it would be great."

"First of all it would make a lot of money for everyone," added Doc, who says he's only slightly older than his meat-ticket. "Then if Archie wins it, and I'm confident he can, he'll be right in line for another shot at the heavyweight title."

"Archie still thinks he can beat (Floyd) Patterson and he'd like to get that heavyweight title before he quits in maybe six or seven years."

A Johansson-Moore fight could elbow Sonny Liston, top-ranking heavy contender, out of the picture. There's been plenty of dicker for the Liston-Johansson fight but it may not occur this year because Moore thinks he can lick Johansson and Ingo feels the same way about Archie. And both think it could be easy—and easy money.

As for the Moore-Rinaldi fight at Madison Square Garden, the principals declared themselves ready. Both finished their boxing drills Wednesday. Archie at his camp here and the Italian at a midtown gym.

School Player Has 15 Straight

HOLYOKE, Mass. (AP) — Outfielder Steve Wojnar of Holyoke High School went 5-for-5 against Springfield Cathedral Wednesday, giving him a streak of 15 straight hits in three games.

Legion Boys Score 22 Runs, 14 Hits

Hope's Jr. Legion Baseball team blasted out a 14 hit 22 run attack against El Dorado's Junior nine, last night at Legion Park, while David Burke was holding the visitors to 3 runs on 5 hits, striking out 12.

Joe Burns lasted only 1 inning against the local boys hitting attack and El Dorado was scraping the bottom of the barrel for pitchers before the game was over.

T-Bob Roberts led the barrage with two singles and a double in three trips. Curtis Churchwell had 3 singles in 5 trips, Wayne Camp, a single and a triple in 3 trips. Joe Duke, 2 doubles in 2 trips and Earl Murphy, a single and a double in 4 trips. Danny Key and David Burke had a single each.

Four Former Cage Players Arrested

By JACK HAND

NEW YORK (AP) — Four former college basketball players were arrested on charges of conspiracy and bribery in the latest development of the spreading basketball scandals, it was announced today.

The four, previously named as conspirators, in connection with the indictments of Aaron Wagman and Joseph Hacken, are Dave Budin, former Brooklyn College captain, Jerry Vogel and Dan Quintozzi, former Alabama players, and Lou Brown of North Carolina.

The announcements were made by Dist. Atty. Frank S. Hogan, who broke open the latest basketball fixing scandals last March 17. Wagman, 28, a convicted football fixer from New York, was indicted last April 27 on 37 counts of bribery and attempts to bribe college basketball players.

Hacken, 49, New York, was indicted May 24 on 17 counts of bribery and attempted bribery.

Twenty-nine players from 17 colleges from coast to coast have been involved in the current disclosures.

Fishing Around Arkansas Lakes

LITTLE ROCK (AP) — Here is a fishing forecast from the Arkansas Game and Fish Commission.

Lake Conway: Water slightly high and dingy. Bass and crappie fair on minnows. Bream good on crickets, worms and popping bugs.

Lake Hamilton: High and clear. Bass good on live bait and small jigs. Bream good on crickets and worms.

Lake Ouachita: Water clear and normal. Black bass good on artificial and live bait. Bream fair on crickets and worms. Crappie fair on live bait.

Lake Catherine: Water clear and normal. Bass fair on artificial bait. Bream good on crickets, worms and popping bugs. Trout fishing good on live bait below Carpenters Dam.

Lake Bull Shoals: Water slightly high and normal. Bass fair on artificial bait. Bream good on crickets and worms. Crappie fair on minnows. Bream good on crickets and worms.

Lake Norfork: Water clear and normal. Trout fair to good on worms and artificial bait.

Lake Maumelle: Water clear and normal. Bass fair on deep running artificial bait. Crappie fair on minnows. Bream good on crickets and worms.

Lake Greason: No report.

When to Fish or Hunt Solunar Tables

By John Alden Knight

The schedule of Solunar period as printed below, has been taken from John Alden Knight's Solunar Tables. Plan your days so that you will be fishing in good territory or hunting in good cover during these times, if you wish to find the best sport that each day has to offer.

The Major periods are shown in bold face type. These begin at the time shown and last for an hour and a half or two hours there after. The minor periods, shown in regular type, are of somewhat shorter duration.

	Major	Minor	Major	Minor
Thurs. 6/8	1:05	7:25	1:40	7:50
Fri. 6/9	2:00	8:15	2:30	8:40
Sat. 6/10	2:50	9:05	3:20	9:30
Sun. 6/11	3:40	10:00	4:15	10:25

Reds Fall to Braves, Dodger Back in First

By ED WILKS
Associated Press Sports Writer

Milwaukee knocked off Cincinnati 3-1 and the Los Angeles Dodgers regained first place by a half-game over the Reds by beating Pittsburgh 7-3 Wednesday night as Sandy Koufax became the first pitcher to win eight games in the National League this season.

Third place San Francisco defeated Philadelphia 4-3 in 11 innings, and St. Louis rapped the Chicago Cubs 8-6 on a pair of two-run homers by Stan Musial who was 4-for-4.

In the American League, first place Cleveland made it nine in a row, for a half-game lead over idle Detroit, by rapping Washington 11-0. New York whipped Minnesota 5-1, the Los Angeles Angels trimmed Baltimore 4-0 and Boston beat Kansas City 6-2.

The Dodgers came from behind with four runs in the second inning, beating Earl Francis in his first major league start on a two-run homer by John Roseboro and a clinching two-run double by Willie Davis. They added three unearned runs in the fifth, making it easy for Koufax (8-2). Homers by Roberto Clemente, in the first inning, and Don Hoak, with a man on in the ninth, scored the Bucs runs.

The Braves beat the Reds behind the four-hit pitching of right-hander Don Nottcher, 3-3. The Reds scored in the second on a walk, Gene Freese's single and a passed ball, but the Braves then scored three in the third, two on Ed Mathews' double, against rookie Ken Hunt (5-3).

Stan Musial's pair of two-run

Hope Star SPORTS

Sound Also Kept Out of a Car

SUWANEE, Ga. (AP) — The air-conditioned car's windows were closed to keep out the Sunday afternoon heat. They also kept out the blasts of a passenger train's whistle as it approached a crossing.

The train rammed the car, state troopers said, and dragged it about 60 feet down the track. The four passengers were killed instantly.

The victims, all Atlantans out for a pleasure ride, were identified as: Baccan U. Wiggins, 42; his wife, Irene, 40; Cooper Cecil Welch, 52; and his wife, Wanslie, 49.

homers built him six for the season, giving the Cards' swimming cushion in the third and seventh innings. Larry Jackson (2-5) was the winner, but needed relief. Maury McDermott finally saved it, coming on when Ernie Banks hit a two-run homer off reliever Al Ciolette in the ninth. Bob Anderson (2-5) was the loser.

The Giants nailed their victory on two walks and a single by Orlando Cepeda in the 11th off losing reliever Chris Short (1-2). Held to one run and two hits for seven innings by Art Mahaffey, San Francisco tied it in the eighth on consecutive doubles by Matty Alou and Harvey Kuenn, both pinch-hitters, and Willie Mays. Jim Duffalo and Stu Miller shut out the Phils on four hits over the last six innings, with Miller winning his fifth without defeat.

Little Rock, Macon Split Two Games

By THE ASSOCIATED PRESS

The fellow who said you win pennants by breaking even on the road and mopping up in the home park obviously never heard of the 1961 edition of the Atlanta Crackers.

The Crackers, seeking their second straight Southern Association flag under Los Angeles ownership, are only 13-14 in friendly Ponce de Leon Park. Away from home, however, they are the scourge of the league with 20 victories and only nine setbacks.

Atlanta made it two in a row at Chattanooga Wednesday night when right-hander Ken Rowe checked the league leaders on four hits, and Atlanta's 6-1 victory left the Crackers only one game out of first place.

Birmingham kept pace with Atlanta by downing the Shreveport Sports 8-4 in 13 innings of a three-run homer by Don Lumley and brilliant relief pitching by Howie Kopplitz. Nashville trounced the Mobile Bears 6-1, and Macon gained a split with Little Rock by copping the nightcap 6-2 after the Travelers had won the opener 7-3.

The first five cash crops in the United States are, in order, wheat, corn, tobacco, cotton and soy beans.

Best Bets This Week at Markets

By THE ASSOCIATED PRESS

Leg of lamb and chuck roast offer the housewife the best opportunity to beat the high cost of living this week, judging by supermarket and grocery store advertisements.

Increased supplies of most meats have resulted in lower prices in many areas in recent weeks. The outlook is for further boosts in volume and more reductions at the meat counters.

This week's specials in lamb turn up in New England, the East, Midwest and Far West.

Chuck roast is a headline attraction in New England, the South and Midwest. Other beef cuts, notably top and bottom round roasts, also are featured in a number of places.

Eggs are climbing, with mark-ups over last week of 2 to 10 cents, a dozen.

Bargain hunters can find a bewildering variety of fresh fruits and vegetables at produce counters these days. This is chiefly due to an increasing number of items just in from nearby farms.

Produce men say the best vegetable buys are asparagus, corn, green onions, radishes, rhubarb, spinach, lettuce, potatoes, squash, and assorted cooking greens such as collards, mustard greens and turnip tops.

Good buys included beets, cabbage, carrots, celery, escarole, mushrooms, onions, parsley, peppers and watercress.

Oranges, grapefruit, strawberries, bananas and, for a tropical flavor, mangoes are rated as outstanding buys. Good buys are watermelon, cantaloup, honeydew melons, peaches, blueberries, lemons and plums.

Be Ready to Lead, JFK Tells Navy

ANNAPOLIS, Md. (AP)—President Kennedy today told the 1961 graduates of the U.S. Naval Academy they must be prepared for leadership in a troubled world. "The battle for freedom takes many forms," Kennedy said. "Your devoted assistance is needed as never before."

Kennedy received a standing ovation when he arrived at the field house, where the graduating exercises were held, and again when he was introduced by the Academy superintendent, Rear Adm. John F. Davidson.

After his speech, Kennedy handed diplomas to the honor graduates, headed by Jerome F. Smith Jr. of San Diego, Calif., who ranked No. 1 among the 785 receiving degrees.

Only the top 95 had the distinction of receiving their diplomas from the President's hands. Kennedy was introduced by Davidson "as our commander in chief, the President of the United States," but the President referred to himself as "a retired civilian officer."

Kennedy, a World War II PT boat hero, remarked that he never reached the physical and professional perfection that would cause anyone to mistake him for an academy graduate.

The President flew by helicopter from Washington to Annapolis. He was met at the landing field by the chief of naval operations, Adm. Arleigh A. Burke, and Davidson.

They moved smartly to a driveway, where an honor guard and the U.S. Navy Band waited. The band struck up "Hail to the Chief" as the guard presented arms as the President stood at attention. A 21-gun salute followed.

Gardener's Special

Welcome your hubby from an afternoon of lawn mowing and hedge-trimming with this Radiant Relish Platter. It's light, refreshing and nutritious and will hit the spot on a warm summer evening.

The dressing, made with a velvety smooth mayonnaise and rich cream cheese, is a perfect accompaniment for the relishes—and tastes good as a sandwich spread, too.

Along with the Relish Platter, treat your gardener to thick slices of ham and cheese and hard rolls.

Radiant Relish Platter

- 1 cup Kraft Mayonnaise
- 1 3-oz. pkg. Philadelphia Brand Cream Cheese
- 2 tbsp. sliced green onions
- Letuce
- Cooked shrimp
- Relish onion slices
- Celery hearts
- Tomato wedges
- Green onions

Gradually blend mayonnaise into cream cheese. Add the sliced onions and mix well. Place in a bowl in the center of a lettuce covered platter. Radiate the shrimp and remaining vegetables around the dressing.

Medical Center Receives Grant

LITTLE ROCK (AP)—The University of Arkansas Medical Center Monday received a grant, which may eventually total \$1,470,000, from the National Institute of Health to finance creation of a clinical research center.

The initial allocation is \$200,000. The program will be reviewed from time to time and additional money—up to the full \$1,470,000 requested by the Medical Center—allocated if the project is progressing on schedule.

Current research at the Medical Center is restricted to laboratories. The new program will permit work directly with patients. A 10-to-12-bed unit will be set up in connection with the project.

Dr. James C. Melby, an assistant professor in the Department of Medicine, will direct establishment of the program.

Charges Against Officer Revived

LITTLE ROCK (AP) — Circuit Judge William J. Kirby has re-instated burglary and grand larceny charges against former North Little Rock patrolman Huey P. Long, who last week received a suspended sentence.

Prosecutor John T. Jernigan asked that a docket notation indicating the state moved for the suspension be cancelled.

Kirby Monday did more. He struck the sentences and the notation, withdrew Long's guilty pleas and passed the charges until the July court docket for further action.

When Long pleaded guilty to four burglary and two grand larceny charges, his attorney, Ray Blankenship, told Kirby he understood Jernigan was agreeable to leniency.

Jernigan who was not in court at the time, later denied this and asked for the record modification.

New Ministerial Alliance Formed

LITTLE ROCK (AP) — White protestant clergymen organized a new ministerial association here Monday in the wake of nomination of a Negro for president of the Greater Little Rock Ministerial Association.

The Rev. M. L. Moser Jr., a Baptist pastor who has been identified with segregationist causes, said the nomination of the Rev. Rufus King Young was not directly responsible for formation of the new group.

"Segregation is just one facet of this," Moser said. "The Metropolitan Little Rock Association of Free Ministers will be a conservative group as differentiated from a liberal moderate group."

Moser said most of the organizers of the MLRAFM had never been members of the old association.

Boy Questioned in Shooting

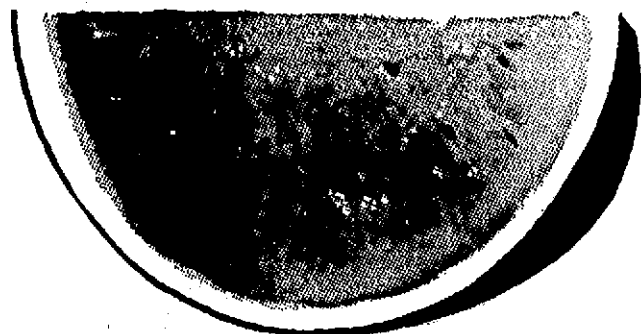

CLARKSVILLE, Ark. (AP)—Police questioned a 10-year-old boy about the shooting of 41 year old Stanley Berry of nearby Oak, who was critically wounded Monday.

Berry remained in critical condition in a hospital here.

Sheriff H. C. Arnold said the boy told him the shooting occurred when Berry tried to take the .22 caliber rifle away from him. Arnold said the boy told him the rifle was thrown in a creek.

Atomic Tests Policy Plan Is Expected

By LEWIS GULICK

WASHINGTON (AP) — President Kennedy is expected to announce soon a major turn in policy on U. S. atomic tests, long under a self-imposed moratorium.

Authoritative sources indicated the new policy, shaping up as a result of the apparent failure of the Geneva test talks, will be to

resume underground U. S. nuclear explosions if this serves the national interest.

At the same time, these sources said, the United States would continue to attend the long-drawn-out Geneva conference as long as the Soviets want to talk there.

The United States would not necessarily proceed with A-blasts but would not regard itself as bound by a moratorium because the talks were still continuing, it was stated.

Kennedy hinted at a change in his speech Tuesday night reporting on his Vienna meeting with Soviet Premier Khrushchev. When

he entered office, the President promised to make one more sincere try at reaching a test ban agreement at the Geneva conference which started in November 1958. The Soviets have rebuffed western proposals this spring.

Kennedy said no hope emerged from his talk with Khrushchev. Rather, he said, the Soviet leader made clear his insistence on a Red veto for test ban control machinery and other conditions unacceptable to the West. Kennedy said the Geneva negotiations "appeared futile."

Questioned by a newsman after his speech, Kennedy said he

Competition for Public's Money Grows

By SAM DAWSON
AP Business News Analyst

NEW YORK (AP)—The competition for your savings and the competition for the loans you seek is building up fast today—in the place where you work.

Impressive growth of credit unions in offices and factories is now being challenged by an increasing number of commercial banks also offering on-the-job services.

The banks are out after the estimated 40 per cent of America's 65 million wage earners who make little if any use of bank facilities.

The bank plan, started in the West only three years ago by the Bank of America, now is offered by some 300 banks across the land, with 200 more reported about ready to make the jump into self-service banking.

The in-plant banking facilities are offered in thousands of business establishments with payrolls ranging from 30 to more than 10,000 persons.

The banks are thus moving to meet the challenge by the fastest growing of any of the savings forms—the credit union. More than 12 million workers are members of these worker-run facilities.

The Credit Union National Association reports a membership gain last year of 781,072 with savings up 11.5 per cent to nearly \$5 billion. Loans to members rose 16.8 per cent to \$4.3 billion. Assets were reported as \$5.6 billion, up 11.6 per cent over 1959.

The fast-spreading credit union plan has profited by low operating costs—usually free desk space from the company, much voluntary labor by members, and exemption from federal and most state income taxes. As a result the credit unions usually can pay higher interest on savings and charge less for loans than most out-of-plant competitors.

After several years of striking growth—assets totalled \$2.2 billion in 1954, as against \$5.6 billion today—the credit unions are now being challenged by the banks on their home ground, the office or factory.

The American Bankers Association is helping members with an operational blueprint. Usually all that's called for is a display rack, supplied by the bank, in some convenient plant or office location. There the worker can get deposit slips, loan application forms, explanatory folders and pre-addressed envelopes.

Talking points of the banks for their form of service is that it appeals to workers who may not want their fellows to know about their financial problems, and that the company isn't involved in any way.

Race Tension Mounts in N. Carolina

TRINITY, N.C. (AP)—A trickle of curiosity seekers stood aimlessly in the streets of this wayside community today after a second night of racial unrest threatened trouble.

Highway patrol reinforcements were dispatched Tuesday night after milling crowds of white persons formed, dispersed and regrouped almost without purpose.

Officers reported a fire was started in an unused Negro elementary school about 12:30 a.m. but was extinguished before any serious damage was done.

A cross, about eight feet high, was burned on the edge of a Negro section.

Officers said most of the crowd, young people dressed in shorts and gala summer attire, apparently was drawn to this community of 1,000 five miles south of High Point on the heels of an interracial brawl Monday night.

The Monday night fight apparently was touched off after a white grill operator, Robert Parris, 20, declined to serve Negroes. When Parris closed the grill, about 40 disgruntled Negroes engaged in a brief battle with about 10 white youths. Parris, who was beaten, hid beneath a house while bands of white persons searched for him believing him kidnapped. There had been another brief interracial battle Sunday.

Protests Theater Segregation

NEW YORK (AP)—Four students protesting theater segregation in Austin, Tex., went into the second day of a sit-in at offices of American Broadcasting-Paramount Theaters, Inc., today, with company officials taking a "tolerant" attitude.

A police captain at the scene said company officials were going to let the students remain and "tolerate them."

But he said he had been told the group would not be allowed to get food or use rest room facilities. The "sit-in" became a "sleep-through" during the night.

would have a statement to make later.

SUSPENSE

A Short Short Story

MEMO TO A MAESTRO

By LESTER ARNO

Dear Maestro:
You asked me to find him and to write to you.
I am with him now.
Before I bring you up to date, I'm going to wool-gather. After all, I was partly responsible. Remember when we first heard him? He was five years old and all eyes and fingers. Eyes that burned and fingers that tapered. Remember the anxiety his mother had as he sat down at the piano in your studio? You sent her out of the room and put a telephone book under him.
And then he played. How he played.
Not the usual beginner's repertoire. Not kid stuff. He played advanced material and he played it well. Both of us were amazed. We didn't believe it possible for a so small.

He sits at the piano and looks across the room at her.

Neither of us said a word. We just let him play.

And then it began, the long hours of rehearsal, the special diet, the exercises and the beginning of the repertoire.

It was at the end of the first year that he came to live with you. His mother came to visit every Saturday. The rest of the week it was exercise and exercise and exercise.

He grew taller and his technique grew stronger. You were merciless as you should have been. You drilled him and humiliated him and got him ready for his first recital.

He was 12. The critics were cautious as they should have been. He was only a boy. But they skirted their caution and said that perhaps this one held the promise of a genius.

And then you returned him to his studies. Twelve, 13, 14, 15 years old. That was when we took him to Europe. I went over in advance and you joined me in London. We had a fair success there, but Paris was a triumph. Do you remember the notices? Even from those critics we didn't pay in advance? The rest of the continent was a continuing series of successes. Even the four concerts in East Germany.

Critics were unanimous about him. No one belittled his genius. Everyone acclaimed it. They pulled out all the stops.

Sixteen years old, 17, 18, and 19. Then he was twenty. On top of the world before he could vote. And there wasn't a doubt that he was still traveling upward.

Then something happened. When did it happen? Upon our return to New York when Margaret came to his dressing room at Carnegie Hall? No, it really started the night before the con-

cert. He and Margaret had gone dancing. They had returned at one o'clock in the morning. You were furious. Rightfully so. You said some bitter things, but you were right. His career came first. He was one of the few. God had smiled upon his hands. His was a trust, a dedication.

He didn't say anything in reply. He listened quietly and thoughtfully. Come to think of it, there was only one thing he could have said, and he kept it to himself.

He was in love with Margaret, of course. And Margaret was in love with him. That's the only answer he could have given you.

Then he went away. You asked me to find him and to write to you. As I'm doing now.

I've found him. Not where you'd expect him to be.

He's here. Margaret's with him. I don't think I'll talk to him. It will do no good. I'm afraid. They are so happy. I can see it as he sits at the piano and looks across the room at her.

The name of this place is "The Impasse." It's on Rush Street and it draws a superior audience. The liquor is very good and he plays excellent boogie-woogie.

THE END

Nwspaper Enterprise Assn.

Baltimore Church Damaged by Fire

BALTIMORE, Md. (AP)—Michael and All Angels Episcopal church was damaged extensively by fire Monday night.

The massive gray stone structure was started in 1877 and the first service held there three years later.

More than 200 firemen battled several hours before putting out the flames.

Hails Ruling on Omnibus Bill

LITTLE ROCK (AP)—The editor of the Arkansas Baptist magazine today hailed invalidation of the 14.5 million omnibus law and called for a stepped-up campaign against a companion \$60 million bond issue.

Dr. Erwin L. McDonald in an editorial for the magazine's June 8 edition, said it is doubly important now to have a campaign "to inform the public of the penalties that would assuredly accrue if the politicians and their greedy allies should be allowed to commit this and future generations of Arkansans to payment of \$90 million principal, interest and fees."

Foes have charged that the total cost of the \$60 million bond issue advocated by Faubus actually would be \$90 million.

McDonald also called upon legislators in an expected summer special session "to use the surplus revenues first for the benefit of the State Hospital and institutions of higher learnings."

Pleads Innocent to Check Charge

LITTLE ROCK (AP)—M. W. Nunn, 50, pleaded innocent in Pulaski Circuit Court Monday to a \$2,000 bad check charge.

Nunn, already serving two six-year prison sentences for fraudulent stock promotions, waived a jury trial and Judge William J. Kirby set trial for Sept. 14.

Nunn was sentenced to one six-year term at Sheridan in May and another at Harrison in April, both times on guilty pleas. He faces charges in several other Arkansas cities in connection with stock deals.

Sees Another First for Reds

WASHINGTON (AP)—Stuart G. Tipton, president of the Air Transport Association, said today there is a likelihood that the Soviet Union may become the first country to produce a supersonic transport.

Tipton, writing in the General Electric "Defense Quarterly," a

publication of General Electric, Schenectady, N.Y., estimated the cost of developing and manufacturing passenger planes capable of flying three times the speed of sound at from \$12 million to \$25 million each, or two to five times as much as today's biggest jets.

Bradley Tomatoes Ready to Ship

WARREN, Ark. (AP)—The manager of the Warren Chamber of Commerce says that first shipments of Bradley County's important pink tomato crop apparently will be moving by this weekend.

That would coincide approximately with the 5th annual Pink Tomato Festival which starts here Thursday for three days.

Loran Johnson, the Chamber of Commerce official, said that about 1,800 acres—an increase of approximately 10 per cent over last year—were planted to the tomatoes this year.

Last year's crop was valued at about \$1.25 million, and Johnson hoped that this year's might reach \$2 million.

Army Officer Loses His Job

CIUDAD TRUJILLO, Dominican Republic (AP)—President Joaquin Balaguer today issued a decree canceling the appointment of John W. Abbes Garcia as a lieutenant colonel in the army. Abbes, whose brother lives in Albany, N.Y., has been head of security police in the Dominican Republic.

There was no explanation of the move, which came a week after Generalissimo Rafael L. Trujillo was assassinated.

Homes, Plants Guttled by Fire

AYER, Mass. (AP)—Troops today patrolled a blackened quarter-mile area to prevent looting and disperse the curious in the wake of a devastating fire which Monday night ruined six homes and two industrial plants, including the town's major industry.

More than 400 persons were thrown out of work with the loss of the Hartnett Tanning Co. and

the International Purchasing Co., a rope-making firm.
Some 40 persons in 15 families were given temporary quarters at Ft. Devens, a big Army installation, when six multifamily homes were leveled.

Officials of the two industries and town authorities said after a recheck today fire loss would total about \$4 million.

Heavy, acrid smoke felled 25 persons. Another 10 persons suffered minor injuries.

Married Students Can Go to School

LITTLE ROCK (AP)—Married students cannot be denied the right to attend public schools, Asst. Atty. Gen. Sam H. Boyce said in an opinion to Hickey Ridge School Superintendent Kenneth E. Scoggins Tuesday.

Scoggins had asked if school boards could prohibit the attendance of students who are married. Boyce said all persons 6 to 21 years of age are guaranteed a free public school education by the state constitution.

Papers of Reds in Syria Seized

DAMASCUS, Syria (AP)—Security police have seized all the written records of the Syrian Communist party's Central Committee meetings and activities, newspaper Alwahala reported today.

The papers of the Syrian Communists are "the biggest Communist scandal since Lenin founded the Soviet Communist state in 1917," the newspaper said.

Police raided a home in a Damascus back street and found a printing machine and leaflets, besides the Central Committee's records, the newspaper said. No arrests were mentioned.

In Cairo, the government-controlled press showed increasing signs the United Arab Republic is concerned about Communist infiltration in the Middle East.

All Cairo papers denounced recent propaganda attacks on President Gamal Abdel Nasser's regime and most carried withering editorials against Moscow.

TEEN TREATS

After Exams: Exult!

Celebrating the end of exams is a time-honored student tradition and Beth Hunt of Pillsbury's Junior Home Service Center knows just the way to do it—with a hearty Italian-style menu, served informally as guests check textbooks and try to figure what their grade-points will be. Even if it's been a grueling week, you'll find these recipes easy to handle:

Italian Company Sandwiches
Cut a hearty "poor boy" sandwich, just right for the starved feeling that comes with the knowledge that exams are really over. The individual loaves of Italian bread come out of Pillsbury refrigerated biscuit packages, like so: Place 2 cans refrigerated biscuits on edge on ungreased cookie sheet; press lightly together. Shape ends for long loaf. Brush with slightly beaten egg white. Sprinkle with sesame seeds. Bake at 350° for 30 to 40 minutes, until deep golden brown. Immediately slice loaf in half lengthwise and spread with butter. Fill with layers of cheese, salami and tomato slices, onion and green pepper rings. Top with barbecue sauce. To serve, cut in 6 to 8 sections.

Antipasto Salad is Italian-style potato salad. Combine 1/2 package Pillsbury Hash Brown Potatoes, 2 tablespoons salt and 1 cup water. Bring to a boil.

Simmer 15 minutes until tender. Drain and cool. Combine cooked potatoes with 3 tablespoons chopped green pepper, 1/4 cup chopped onion, 1 cup chopped, stuffed olives, 1 teaspoon olive juice, 1/2 teaspoon salt, 1 cup mayonnaise and 2 chopped, hard-cooked eggs. Chill. Serves 4.

Brownie Ice Cream Pie begins with a third Pillsbury package. Following label directions, bake 1 package Pillsbury Brownie Mix in 8-inch piepan. Cool. Just before serving, top with vanilla ice cream. Cut into wedges and serve.

All four will score high with the crowd, and what's more, these quickie recipes can do double duty later when you're inspired to an Italian-style picnic.

HE MAKES HENS' TEETH

Dentist For Millions Of Chickens

Who said hens' teeth are scarce? Long ago poultrymen found that hens (and broilers, too) need teeth. Teeth help chickens turn feed into eggs and meat at lowest cost — help keep the grocery bill down.

That's why "Doc" Charles L. Davidson, Sr., president of the Stoneco Company, Inc., is considered America's No. 1 dentist for chickens. From his unique mine at Lithonia (from the Greek lithos, or stone) in the heart of Georgia, Davidson produces tons of grit — millions of teeth for chickens. These are small, uniform pieces of granite that chickens love to eat. The "teeth" move into the gizzard to grind up feed.

This special granite grit has hundreds of grinding surfaces which help chickens get the most from each bite of feed. As a result, each hen lays more eggs — each broiler is plumper — when it has "Doc's" teeth.

Wants to Know of Pre-sale of Bonds

LITTLE ROCK (AP)—An opponent of Gov. Orval E. Faubus' proposed \$60 million state bond issue called today for public announcement of any pre-sale contract for the bonds.

Man Flees With \$27,000 Check

DE WITT, Ark. (AP)—A man fled with a \$27,000 cashier's check from the De Witt Bank & Trust Co. teller's window at nearby Gillett Tuesday.

Bank President R. H. Maddox said the check was made payable to him (Maddox) and could not be cashed unless the signature was forged.

Maddox said the man represented himself as an oat buyer and presented a cashier's check for \$27,000. The man asked the woman teller for some cash, for other money to be deposited in a savings account, some in a checking account and a \$27,000 cashier's check, Maddox said.

When the teller went to call the main office to get approval for the deal, the man grabbed up the two checks and other papers and fled, Maddox said.

The man had Maddox name put on the check because he said he intended to open a special account with the main bank, Maddox said.

Grant Is Against

SHERIDAN, Ark. (AP)—The Grant County Farm Bureau Tuesday night adopted a resolution opposing Gov. Orval E. Faubus' \$60 million bond proposal which will be voted on June 27.

Harold Ohlendorf of Osceola, president of the Arkansas Farm Bureau Federation, heads a group campaigning for the bond plan.

tract for the bonds.

Eugene Warren of Little Rock said that pre-sale contracts with bond dealers are legal and an accepted practice but that he felt the public was entitled to know if such an arrangement had been made for the proposed bond issue.

Warren also charged that the public school fund stands to lose nearly \$2 million in revenue if the bond issue is approved by voters at a special election June 27. This, he said, is because horse race and use tax revenue pledged to the bonds wouldn't provide but about \$1 million of the \$4.5 million a year needed for bond retirement.

Warren forecast that \$1.9 million of the remaining \$3.5 million yearly would come from school funds, with the rest to be taken from the University of Arkansas, state colleges and other educational operating funds.

80 Communists Killed in Saigon

SAIGON, South Viet Nam (AP)—More than 80 Communist terrorists died in three fiery clashes with South Viet Nam armed forces over the weekend, the government reported today.

That and similar reports last week indicate the biggest outbreak of large-scale fighting since just before the April 9 presidential election, when the Viet Cong mounted attacks in battalion strength in an unsuccessful effort to disrupt the election.

Western sources have generally confirmed government figures on the numbers of Communists killed or captured. However, figures on government losses are uncertain.

Electrical Power Cut in One Area

LITTLE ROCK (AP)—A reduction in electric power and natural gas rates to northeast Arkansas and Missouri customers of Arkansas-Missouri Power Co. went into effect June 1, the Arkansas Public Service Commission disclosed Tuesday. Electric rates were decreased about 17 cents per month and the gas rate was trimmed about 2 cents per 1,000 feet to heavy gas users. The reduction was due to system wide earnings of more than the allowable rate of return, the utility said.

Free Ferry Bids to Be Taken

LITTLE ROCK (AP)—The state Highway Commission will receive bids June 28 for the operation of a free ferry across the White River between Allison and Sylamore, officials said Tuesday. The commission will install a cable operated ferry between the two points and the successful bidder will operate the facility under a five-year contract. Allison is in Stone County and Sylamore is in Izard County.

Arkansas Golfer to Houston U.

LAFAYETTE, Ind. (AP)—Arkansas Dick Crawford, NCAA individual champion the past two years, will be a member of the Powerful University of Houston team in the 64th annual National Collegiate Golf Championships. The event is set for June 18-24 at Purdue University. Houston has been team champion for five consecutive years.

Star Farmer

MONTICELLO, Ark. (AP)—David Singleton, 17, of Searcy was named Arkansas star farmer at the Future Farmers of America state convention here Saturday. Peggy Lewis, 16, of Magnolia was selected as FFA sweetheart.

Trujillo Wished Well by Actress

HOLLYWOOD (AP)—Rafael Trujillo Jr., who succeeded to the dictatorial power of his late father in the Dominican Republic, was the recipient of good wishes from Kim Novak.

The blonde actress, young Trujillo's frequent date when he visited Southern California three years ago, disclosed Saturday that she had sent him a telegram.

New Carlisle Coach

CONWAY, Ark. (AP)—Gail Stephens of Conway, who has been coach at Carlisle High School for the past five years, will become football coach at Paragould High School. He will succeed Dale Hanks, who resigned.

Stephens compiled a 41-14-1 record at Carlisle.

"I told him," she said, "that my prayers were with him and I asked God to help him in this hour of his country's need."

Wants Full Report to Russians

GENEVA (AP)—The United States challenged the Soviet Union today to let its citizens get a full report on an American-British plan to ban nuclear weapons tests.

Arthur H. Dean, U.S. delegate to the deadlocked three-power nuclear test ban talks here, referred to the Western draft treaty now being circulated among the U.N.

He told Soviet negotiator Semyon K. Tsarapkin at the 31st session of the 31-month-old talks:

"I hope that henceforth the citizens of Moscow will have an equal opportunity to acquaint themselves with the proposals of each side at the U.N. office in Moscow."

That would enable the Soviet public to form an independent judgment on the Geneva negotiations for an East-West accord to halt the atomic armaments race, he added.

The American-British paper was submitted here two months ago and is the only complete treaty draft before the marathon conference. Tsarapkin has frequently belittled the draft. It contains a series of Western concessions on the issue of controls. That issue has blocked any significant progress since the talks began.

Tsarapkin immediately responded to Dean's remarks. Conference sources said he described the Western draft as "nothing new" and a mere compilation of agreed and unagreed points which has hampered the talks.

Writer Dies at Age of 86

ZURICH, Switzerland (AP)—Karl H. von Wiegand, 86, the dean of American foreign correspondents, died today.

Von Wiegand was chief foreign correspondent for Hearst Newspapers. In 60 years as a newspaperman he had covered many of the historic events of his era. He covered 12 large and small wars.

He became ill two weeks ago in Tokyo, and was flown back to Zurich, where he had a home. He died of pneumonia in the Hirslanden Clinic.

Von Wiegand was born in Hesse, Germany, and was taken to the United States as an infant. He joined the San Francisco Examiner in 1902, and later worked for the Los Angeles Examiner, The Associated Press and the New York World. He became a chief foreign correspondent for the Hearst papers in 1917.

The General Found in Time

CHATTANOOGA (AP)—The mysterious disappearance of The General was solved today by a reporter; was moved from Union Station here to be reconditioned.

But with the city's first Civil War Centennial observance only 15 days away, Chattanooga awaits to what seemed like utter tragedy when it found The General missing.

Reporter Grady Gallant found The General in the Cravens found. It was being oiled, painted and reconditioned for a Southwide tour as part of the Centennial celebration.

The General—once the subject of a movie, "The Great Locomotive Chase,"—disappeared overnight from its place of honor at the station.

Make-It-Yourself For a "Song"

BOLD PLAIDS make big fashion news this season and especially when used with this oh-so-feminine pattern. The dramatic wide fringe at sleeves and skirt "sing" with originality. It's Simplicity pattern No. 3599. Talon's 24" Magic-Zip neck-type closure runs down the back to assure perfect fit... a cinch to apply by following instructions in the zipper package and the sewing guide line on either side of the zipper chain. Make it in wool, silk or cotton for town or country life.

Kennedy Keeps Old Promise

WASHINGTON (AP)—President Kennedy today kept a 15-month-old promise to greet the senior class of Tomah (Wis.) High School.

Ninety-four strong, including a scattering of parents, the seniors had a return visit with Kennedy on the White House lawn and formed a cheering section as he took off in a Marine Corps helicopter for Annapolis to deliver the commencement address at the Naval Academy.

The class showed up at the White House Tuesday but was too early to see Kennedy, flying in from his talks with Soviet Premier Khrushchev, French President Charles de Gaulle and British Prime Minister Harold Macmillan.

The White House invited them back this morning. That was to make good on a written pledge which the class exacted from Kennedy when he visited their school for an hour during the presidential primary campaign in Wisconsin March 9, 1960.

Favors Upping Aid \$225,800

LITTLE ROCK (AP)—State Education Commissioner Arch Ford said today he will recommend a \$225,800 increase in transportation aid to school districts this year.

If approved by the state Board of Education at a meeting Monday, this would make the total transportation aid \$5,170,500. The Arkansas Legislative Council, after a study last fall, recommended the increase.

The 1961 legislature appropriated \$6 million a year for transportation aid during the next two fiscal years.

Freight Rate Hearing

LITTLE ROCK (AP)—The Arkansas Commerce Commission today set a hearing for July 25 on a request by truckers for a general increase in freight rates.

Fulbright Pleads for Old Sub Cars

Arkansans in Washington
By GORDON BROWN

WASHINGTON (AP)—In nostalgic mood, Sen. J. W. Fulbright, D-Ark., made a pitch in the Senate the other day for "the good old days." But he stopped short of standing in the way of progress.

Fulbright took the floor to deplore the passing of the old Senate subway cars and to protest their sleek new successors.

He told his amused colleagues that he had even drafted a resolution which would require operation of the old cars and disposal of the new ones. But, he said, he figured the resolution wouldn't stand a chance of being adopted. So he contented himself by making his protest and having his resolution printed in the record.

For the benefit of those who

haven't visited the Capitol, the senators, for many, many years, rode the old subway cars between the old Senate Office Building and the Capitol. There were two of these monorail cars, each seating 18 persons. They were similar to the old open trolley cars. They'd start at one end of the line, travel about 300 yards, unload and then start back without turning around. No one ever knew which was front or back — they looked the same from either end.

Later, when the new Senate Office Building was built, it contained two new subway tunnels from a terminal under the Capitol steps on the Senate side, one tunnel leading to the new building, the other to the old building.

The new cars are sleek affairs with sliding doors and windshields. There are four of them—two for each of the new subway tunnels.

With their advent, Senate authorities figured there is no need to keep the old cars running. But one is to be kept in service until the end of this session of Congress.

The other will be sent to the Smithsonian Institution.

Fulbright didn't like the change to the new cars.

"I shall long remember with pleasure the swift, silent manner in which they (the old cars) conveyed me to and from the old office building," he said. "There was a minimum of friction and noise. . . . There was an intimate camaraderie among the members as they piled into or out of the open seats, unhindered by doors. . . . In short, these old cars were soothing to the jangled nerves and put the members of this body in a friendly and amicable frame of mind when they arrived to do battle over the Nation's business."

He called the new cars ungainly, uncomfortable, unpopular and unpredictable. In his resolution, Fulbright proposed that the new cars be disposed of, possibly to Disneyland or Coney Island and that the new subways be used for office space or a parking area.

Fulbright got some sympathetic nods from his colleagues but that

Dish breakage was a problem for boating enthusiasts until the advent of plastic dinnerware. Now lightweight, break-resistant tableware not only is convenient but also creates an attractive table setting with its fresh, colorful designs.

Businessmen Optimistic But Cautious

By SAM DAWSON
AP Business News Analyst

NEW YORK (AP)—Businessmen are talking up optimism. But most of them appear to be acting with what they regard as all due caution.

Consumers in general seem to be following the same tack. They feel a lot better about the outlook for the economy and their own pocketbooks. But they are spending, and going into debt, at close to their old pace as set in more uncertain days.

That's how the latest flood of statistics seems to add up after reading the host of predictions—and most forecasts are optimistic.

Retail sales have yet to respond to the new confidence most Americans are said to feel. Consumers are busier paying off old debts than taking on new installment credit.

Businessmen are ordering better than in the dark days of winter. But so far they are building up their inventories only slightly, apparently with a keen eye for actual sales as well as for prospects. Perhaps they are waiting now to see how much of a summer lull we'll have.

And in spite of all the talk about a sound recovery under way—and even talk of a possible new boom—industrialists haven't stepped up their plans for expansion of plant and equipment, trimmed when recession was the chief concern. Total spending this year still seems likely to trail 1960 by about 3 percent.

But when you've said that—and added the somber view of international affairs that President Kennedy has expressed after his talks with Soviet Premier Khrushchev—you've about said the worst.

Steel output, aided by auto makers' orders, has risen—although

was all—the new cars still glide back and forth and the old cars still are headed for oblivion.

The Interior Department appropriations bill approved last week by the Senate Appropriations Committee included items that should contribute to better fishing in Arkansas.

Added to the bill was one item of \$170,000 to start construction of a fish hatchery at Greers Ferry reservoir.

Retained in the bill, previously passed by the House, was \$150,000 to expand the present fish hatchery at the Norfolk reservoir.

Also added to the bill was \$170,000 for research into fish habits at the Beaver, Bull Shoals, and Norfolk reservoirs. This is a project supported by Fulbright. He wants to know why fishing declines at the big federal reservoirs a few years after they are opened.

The bill, as it passed the House, also contained \$114,000 for administration by the Bureau of Sports Fisheries of the commercial fish project in the central Arkansas rice areas. To this, the committee added \$65,000 for the Bureau of Commercial Fisheries to use in research into possible markets for the fish being produced.

This fish farming project is located near Stuttgart.

This may cost Fulbright the vote of Arkansas housewives but—

He recently was viewing a film put out by Urban Progress, Inc., showing the great progress being made in Little Rock. There flashed on the screen the picture of a man moving his lawn. Then the scene shifted to his wife, clad in a sun suit, leisurely sun bathing on a lawn chair.

"Why that's not a fair division of labor at all," protested Fulbright. "There's no reason she can't cut the grass—it's not hard work."

Lake to Cover Indian Marker

RUSSELLVILLE, Ark. (AP)—A monument marking the spot where the Indian chief Sequoyah wrote the Cherokee alphabet will be covered by water when Dardanelle Lake begins filling in 1964.

The market is on the bank of Illinois Bayou near here where Rev. Cephus Washburn established a school for Indians in 1820.

Sequoyah came to Arkansas after the 1817 Cherokee Treaty, became interested in written communications and began to work out an alphabet for the Cherokees. He completed it in 1825.

The monument was erected in 1936 by the Arkansas Centennial Commission and the Arkansas History Commission.

Urges Money for Health Facilities

WASHINGTON (AP)—Appropriation of \$150 million for hospital and health facilities was urged before a Senate Appropriations Subcommittee Monday by Sen. J. W. Fulbright, D-Ark.

Fulbright said Arkansas would receive about \$510,000 more in hospital aid fund for a total of \$2,842,000 if the budget is increased.

The senator said 91 federal aid hospital projects have been completed or are in the planning stage in Arkansas.

Fulbright also urged approval of \$90 million for the vocational rehabilitation grant program, instead of the \$64,450,000 voted by the House.

Just 35 More Payments and You'll Own It

By HAL BOYLE

NEW YORK (AP)—Remarks a new-car owner gets tired of hearing:

"Now you've got it, where you gonna park it?"

"And just think, 35 more payments and you'll actually own it!"

"Yeh, it looks fine, but what was wrong with your old bus? I thought it was more comfortable."

"Is \$750 all you got as a trade-in? Why, I know a fellow down the street would have been glad to give you \$900."

"It certainly is a lovely color, dear, but it doesn't go with a thing I have. I guess I'll have to buy a completely new wardrobe."

"Well, I admit it rides nice going downhill—but so does a sled. Let's see if it can go uphill."

"Frankly, it looks too big to me to be called a small car, and too small to be called a big car. But I guess in time you can get used to anything, Right?"

"There's a nice clear stretch of road ahead. Push her in all the way to the floor and let's see if she can pass that bicycle."

"One thing about this car—it's nice and compact. You won't have any trouble hearing your mother-in-law's voice in the back seat."

"Don't tell me the dealer didn't give you a bonus? When I bought my new car, the dealer threw in a radio, an extra tire, two theater tickets and 10 shares of uranium mining stock."

"Is that all you get? Why, I got 20 miles to the gallon in my car, and I've had it nearly six years."

"Look, you got a big scratch on the hood already. Now, I wonder who could have done that?"

"The way he babies it, you'd think no one ever had a new car before in the history of the world."

"Hope the kids don't steal your hubcaps. I understand that on this model they itemize at \$24.67 each."

"No matter what you really think, tell him you like it. It'll make him feel better."

"I'd like to have a car just like it, George. How many box tops did you have to send away to get it?"

Case of Murder

ROME (AP)—A Vientiane dispatch of the Fides news service says the rebel Pathet Lao killed the Rev. Vincent L'Honoret, a French member of the Oblate Missionary Order, May 11 while he was on his way to Mass at the village of Na-tum.

UNSUNG HEROES
by Janet Henry

The TV repairman and pediatrician
Must each diagnose with remarkable cunning.
The call is so frantic; so grave the condition;
And then on arrival, the patient is running!

Two Delicious Meals from this One Meat Buy!

SAFEWAY

Smoked Picnic

Rath's or Morrell's Pride

Get one for a fine Sunday dinner . . . and then use the remainder in a planned-over casserole for a mid-week meal. Two hearty meals for one small price! These fragrant picnics were deep hickory-smoked . . . then rushed from the smokehouse especially for this sale. Wait till you enjoy their tenderness and flavor . . . wonderful, simply wonderful! These smoked picnics cost so little . . . yet give so much!

Lb. 29^c

1
FOR SUNDAY DINNER . . .

Bake a smoked picnic as you would a ham. A half-hour before it's done, score and cover with your favorite glaze. Serve with candied yams, buttered baby limas, tomato-lettuce salad, hot biscuits with honey, cranberry sauce . . . apple pie and cheese for dessert.

2
MID-WEEK CASSEROLE

Use left-over picnic in a scalloped meat and potato casserole. Team it with tossed salad, creamed wax beans, hot cheese bread . . . and your favorite frozen dessert.
